

POSITION ANNOUNCEMENT

SPOTTER/LABORER

Opening Date: December 1, 2020

Closing Date: Until Filled

Duties:

Under the direction of supervisor, this person is responsible for the performance of various duties needed to assist customers to efficiently and safely dispose of their waste at the transfer station. This person will direct traffic flow in various areas of the facility, pull recyclables from the waste stream as time permits, assist loader operator in maintaining a clean, safe, and usable unloading site, removing Household Hazardous Waste (HHW) from the waste stream, perform litter control, and random load inspections as needed. This person will also perform other duties as assigned.

Job Qualifications:

Experience: Requires graduation from high school, GED, or two (2) years of related work experience and training.

Certifications: A valid Utah driver license, certified in waste screening within the first 6 months of employment.

Salary: \$13.83 per hour.

APPLICATIONS: Applications will be accepted until position is filled. ONLY THE INFORMATION ON OR ATTACHED TO THE APPLICATION WILL BE USED FOR SCREENING PURPOSES.

The District will make reasonable efforts in the application process to accommodate disabled applicants. If you have special needs, please call 225-8538.

THE DISTRICT IS AN EQUAL OPPORTUNITY EMPLOYER
